Gentlemen:

Your August 19, 1994, letter granted our schedule extension request for two Operable Unit No. 2 (OU2; 903 Pad, Mound, and East Trenches) milestones, the Draft and Final Remedial Investigation/Remedial Investigation (RFI/RI) Reports. As per Part 42, Extensions, of the Interagency Agreement (IAG), we are requesting formal approval of the proposed milestone dates, shown below. The "good cause" is per Paragraph 222 (D) of the IAG: "A delay caused by the grant of an extension in regard to another ...deadline or schedule." This request is based upon the work stoppage schedule impact and represents the same timeframes granted for the Draft and Final RFI/RI Reports.
